

The Flowerdale Flyer

ABN: 30 127 305 127

Lest We Forget, Thank you for your Service.

Frank Grigons of 5RAR and he served in Vietnam

The Anzac Day event held at the Flowerdale Hall on the 25th of April lovely as usual.

This year we celebrate the 100th anniversary of the RAAF. From their modest beginnings in 1921, our Air Force has grown into a potent, world class Air Force which Australia relies upon in both conflict and peace. The men and women of the Royal Australian Air Force have achieved great success in serving Australia and its national interests over the past 100 years. The origins of the Royal Australian Air Force extend back to the early days of aviation, and they have made important contributions to defense and peacekeeping initiatives across the globe ever since. Well done to Steve Joblin and all those involved in another beautiful Anzac Day Commemoration.

Ex RAAF navigator - Erin

Coordinators Column

Hello everyone, Firstly I'd like to apologise for the very late edition of the Flyer.

It has been a very busy start to the term.

We have delivered over March and April new programs such as:

Pickling and Preserving with the amazing Siobhan

RSA course with The Centre

First Aid and CPR courses with the Centre.

Auslan Level 1 with beautiful Jaqueline.

Hosted Alexandra Book Library **"On the Road"** Book night.

Youth Group 4 specific outings for children 10-17 over the holidays.

We employed 2 new staff members all from Flowerdale. Welcome **Mathew** and **Steph** our new Youth Group Leaders!

We have partnered with **Kinglake Ranges Neighbourhood House Toolangi Community house** and **Kinglake Ranges Arts** to apply for funding to have the water tank across from the Flowerdale Hotel painted by a professional painter.

If we succeed in the grant application more community consultation will follow on this.

We have also welcomed some amazing young **work experience** kids from both Yea High school and Whittlesea High School. This has been an awesome and new experience for them both. We hope this provides the young people experience in **Community Service, Administration, and Retail/ Customer Service** via the Flowerdale Op Shop.

We have also delivered the normal programs that you find in the middle page of the Flyer on pages 8 and 9.

We have new programs coming up in May and June including:

Dough Making Workshops with Siobhan See page 11 for details.

Children's Dance classes with Fenella. See page 5 for details.

Auslan Level 1 new date **14th June** for **6 weeks**

I'd like to give a massive shout out to **Integrity Real Estate Kinglake** who replaced our road

side sign after someone vandalised it. Not only did they replace it but did the design work to reflect what is happening currently at the house.

Thank you!!

Op Shop Volunteers Needed!!!!

Please consider joining the amazing Op Shop volunteers. They need volunteers **young and older. No experience necessary** we will train you in the processes of taking sales, sorting, and customer service.

Please consider giving a few hours, a day a week, month, fortnight?

Volunteers make the Op Shop possible.

House Cat News.

Noble has made himself right at home at the house and welcomes people young and old. Come and see Noble any day Tuesday, Wednesday or Thursday at the house.

Time: 11:30am for approx. 2hrs

Price: \$35 per person for 3 lessons. All materials supplied.

Booking enquires call **(03) 5780 2664**

LANDCARE UPDATE

 Flowerdale Landcare

- by Ken Mival

This update is to inform Flowerdale community of the activities being undertaken by Flowerdale Landcare Group and the opportunities for involvement. Membership costs only \$20 per year and for that you get the opportunity to use equipment for weed control and take part in a number of other conservation activities.

Many volunteers gathered on Sunday 21 February to do our share for **Clean-up Australia** (although 2 weeks ahead of THE day - getting a mention on the front page of the Yea Chronicle). We cleared Coonan's Reserve of a large amount of debris left by groups of fly campers and also dumped material (including various broken-down tents and a bag full of Bras!). We then moved on to the Pioneer Bridge area north of Long Gully where lazy locals think it is a free dumping ground - including old artificial Christmas trees, pushchairs, carpeting and parts of an old hot water tank. Some diligent folks also walked along the tracks north and south of Hazeldene picking up roadside rubbish. We filled a trailer and Landcruiser with the waste. Well done to Steve and the crew.

European Wasp control. Steve has been doing an excellent job tracking down and eliminating over 70 wasp nests in the local community. For a small donation for the chemicals used, this can be provided to local residents if you have a wasp problem.

In our recent March committee meeting, a number of decisions were taken for the year ahead. The following are dates to put in your diaries:

April - The KPC Fox Control Committee will be starting the next round of camera monitoring for wildlife and foxes. This will be followed by the next round of Fox baiting to take place over about 3 to 4 weeks in May/June. We have had significant success in reducing fox numbers with hundreds of baits taken over the last 4 years at a steadily declining rates and want to continue on that success.

We have gone from a few Long-nosed Bandicoot sightings up to over 60 last year as reported in our July update. So we are winning the war - but need to keep it going for another couple of years at least. If you want to be involved in the next round - you will need to contact Landcare immediately as you cannot bait unless you have undertaken monitoring first and notified neighbours. The cameras are a limited number on

loan from DELWP, so first in or miss out.

10 July 2020 - AGM - starts at 5pm at the Flowerdale Hall (opposite the Primary School). We have obtained from ABC an excellent high quality documentary on the Platypus and Echidna that we will show at the meeting and will provide food (likely to be a spit roast) for a small charge. Put the date in your diary. You don't have to be a member to come to the AGM and it is recommended for those who are thinking of joining Landcare to find out what we can do for you.

All dates and times given above are subject to confirmation, so please keep in touch with the Landcare committee if you are able to take part. Also watch out for notification on the Flowerdale Facebook page for other updates on our activities.

Contact for information: emails : Steve Joblin (secretary) stephenjoblin@bigpond.com or myself on kenmi@bigpond.com , or our general email flowerdalelandcare@iinet.net.au

Minestrone Soup

Ingredients :

3 Bacon rasher roughly chopped
2 Carrots peeled and chopped
2 celery sticks chopped
1 Onion finely chopped
1 potato peeled and chopped
2 garlic cloves chopped
4 cups of beef stock
400g can chopped tomatoes
400g can of red kidney beans
1 cup of shell pasta
1/3 fresh parsley
Parmesan

Method:

1. Place bacon, onion, celery, carrots and potato in a large saucepan and stir until combined.

Cook over high heat, uncovered stirring often for 5 mins.

2. Add the garlic, beef stock, tomatoes and red kidney beans to the pan, cover and bring to the boil. Reduce heat to medium—low. Simmer, covered, stirring occasionally for 30 mins or until vegetables are tender.

3. Increase to high heat and add pasta and cook uncovered stirring occasionally, until pasta is cooked through.

4. Sprinkle with parsley and parmesan. Serve with crusty bread.

Market News!

The market has now finished and will be **back on the 18th of September!** If you interested in having a stall please call Alison and let her know.

CFA

Brian Makin 0409 213 951
Register your burn 1800 668 511

The Flowerdale CFA is going great! people in the community of Flowerdale will now know that the fire restrictions have now been lifted **29th March 2021** but depending on the size of the fire you still may need a council permit for any fire lit in the open you still need to register your burn the number to call is **1800 668 511** Please note you are responsible for your fire and any damage it causes. The fire must be attended at all times and with proper safety equipment so before you light up, check the weather if it's windy, and do not burn off. Light it up another day.

As a Brigade we have already turned up to two unattended fires which we had to put out. As a community we need to be more careful and vigilant.

Captain Brian Makin
Flowerdale Fire Brigade
CFA
0409 213 951

FACILITATED PLAYGROUP.....WITH A TOUCH OF MONTESSORI

Montessori practice follows the guidelines of Doctor Maria Montessori's life work. She advocated for the child to be accepted as he/she presents, supported to develop to her/his full potential and to learn through respect and hands-on experiences.

The Learning Space is set with activities that invite the child to engage in purposeful activity which will help develop the child's independence and adaptation to the real world. Between Birth and age 3, the child works to develop attachment to others, language skills and co-ordination of movement. Family members are the first "teachers" supporting the child in these early years. Branching out to a wider community and strengthening these capacities is the work of the 3 to 6 year old child.

Playgroup offers an opportunity to support each other and learn from each other. As we accept each child, recognize and value their differences we do the same for the adults. Each of us has much to offer and we will all grow through the shared experience.

The playroom perhaps looks and feels different to other play spaces. The Montessori approach encourages us to offer the children an inviting place where activity can support the child in her/his self construction. With that in mind, the activities have a sense of order and include cleaning up after oneself and allowing others their opportunity to be active with the task.

This term has offered outdoor play with ride-ons and the sandbox plus the beauty of the garden. "Window painting" was also on hand. Indoors, play dough (the recipe is on the Cream of Tartar box) is always a firm favorite. "Art " supplies with paint, crayons, pencils and chalk were there to explore and to begin the task of self expression through materials. Rattles, push cars, soft toys, bells and blocks allow the young child to explore movement and sound. Bubble beating, sand sifting and tongs invited activity and brought a practical opportunity for concentration to develop. Mat time included conversation, rhymes, songs and

stories. These activities afforded a relaxed sharing time to encourage a feeling of belonging. And the sharing of food, an old social activity, rounded off the session.

With the two year FRRR grant, the Flowerdale Community House is able to offer a facilitated program for 2021 and 2022. Hopefully, we can learn together and the program will fulfil your expectations. The activities on offer will change and expand as we progress. If there are additions you would like to see please share your thoughts and we can work to make things happen.

The changing weather will will play a part in the changes as will the children's need for different challenges. Keep coming along and together we can support the young ones to belong and become their strongest self.

Warm regards, Jill Vizec

**Playgroup runs Wednesdays
10am-11.30am each week.
Morning tea provided**

And just like that, Term 1, 2021 has rocketed to an end. The short lockdown was, thankfully, not extended, so the term was filled with lots of learning and many activities. Splish splash. Swimming time....Very popular during Term 1 has been weekly swimming lessons in Whittlesea. It is marvelous to watch our children's swimming skills and water safety knowledge, spill over into an increased confidence in the pool and beyond. What do you get when you mix up a batch of dad's, stepdad, grandfather's, uncles and friends with a school full of kids? Well, we can tell you the answer to that....a LOT of fun. With tummies filled with sausage sizzling dinner, the blokes and kids took to the basketball court for an evening of activities, fun and games. It was a brilliant way to have the children spend time with the blokes in their lives. Under the guidance of Chaplain Kerry, plus the impeccable organization and energy of Shelley, and the superb BBQ skills of our 3 MasterChef's - Denis Hodge, Terry Hubbard and Tony Hannagan - this evening was destined to be a fantastic success. We plan to have a blokes and kids evening each term and have lots of exciting future activities on the agenda. As always, Harmony week was embraced by the children in great style. With the theme of "everyone belongs", the children appreciated Australia's cultural diversity in many ways, including a visit from the lovely Ta Hay who gave us an inspiring lesson in the Karen culture of Myanmar. Term 1 has been great for our kids learning. We are very proud of their individual efforts to achieve personal best in the classroom and in upholding our school values. We are breeding some fantastic mathematical brains amongst our students. Under the guidance of Mrs Mac, they have participated in weekly individual and small group tutorials with a focus on number, measurement, geometry, chance and data and problem solving. This will continue in Term 2, and has been a fantastic addition to our math's curriculum. Our Parent community is unique and we are blessed to have so many wonderful families supporting their children's education and our school. As the end of term approaches, we wish our entire school community a safe and happy Easter and, for those of us lucky enough to enjoy them, a wonderful first term holiday. We have lots on our Term 2 agenda, so a good holiday will recharge the batteries for all. Take care.
